SCHOOL ASSEMBLY

Since the time immemorial Indians have tried to formulate a culture which grows up in the lap of nature. We follow the same in the school morning assembly where special emphasis is laid on recitation of Vedic mantras, singing of shloks, choir & hymns besides reading of news, thoughts and current topics. Through this, the pupils learn the values like truth, control of senses, sacrifice, charity and regard for human values. Every class gets turn to conduct the school assembly to mark festivals and important days, special assemblies are organized.
